

Dear Colleagues and friends!

It is with great pleasure that I would like to invite you to participate in the

6th ERAS World Congress in Stockholm, 23-25 May 2018.

...

General programme attached

The Congress will once again host the leaders in enhanced recovery and perioperative care from different specialties. The Nursing and AHP group has grown in numbers throughout the years and we are key members of the MDT in the management of patients and the implementation of ERAS in our healthcare settings.

The program (enclosed below) is very exciting and will be even more interesting if many of you can attend and actively participate. Do not hesitate to spread the word around you and invite not only nurses and AHP's but also anesthesiologists, surgeons, managers and anybody involved in patient care and is willing to improve outcomes.

We hope to see many of you in Stockholm!

Best wishes,

Angie Balfour - Chair of the ERAS Nursing & AHP Group

Invited Faculty:

Valerie Addor

Jennie Burch

Dorthe Hjort

Tom Wainwright

Rachael Barlow

Patricia Ahlquist

Mary-Ann Mecca Monaghan

Nursing & AHP Group - Agenda
